Welcome message from the SPC OBU NZ President

On behalf of the SPC OBU New Zealand committee, it is my pleasure to welcome you to our Gala Dinner Dance 2026.

Since 2020, our union has become a true home for Peterites across Aotearoa - a place where the bonds formed at St. Peter's College, Colombo, continue to flourish, wherever life has taken us. Tonight is a celebration of that brotherhood: a chance to reconnect with old friends, welcome new ones, and honour the spirit of Virtus et Veritas that unites us all.

None of this would be possible without the generosity of our sponsors and the dedication of our committee and volunteers. To each of you, thank you.

I wish you a night filled with laughter, good company, and memories to treasure.

Shohan Wimalaratne
President,
SPC OBU New Zealand

Dear Old Peterites, families and friends,

I am delighted to send my greetings as you gather for the Gala Dinner Dance 2026.

Though many miles separate New Zealand from College, the Peterite spirit travels with you. Nights such as this keep that brotherhood alive. I thank the committee, the sponsors and every guest who has made this evening possible. May it be filled with friendship, gratitude and joy.

As you celebrate, remember our motto - Virtus et Veritas. Let Virtue and Truth continue to guide your lives and the generations that follow. With every blessing for a memorable night.

About SPC OBU New Zealand

Est. 2020

From Colombo 04 to Aotearoa

St. Peter's College, Colombo 04, has shaped generations of young men since 1922 under the motto Virtus et Veritas - Virtue and Truth. As Peterites made new lives across the world, the bonds of College followed them.

In 2020, a group of old boys in New Zealand came together to formally establish SPC OBU New Zealand - creating a home for the growing Peterite community across the country.

What began as reunions among friends has grown into a thriving union hosting the Gala Dinner Dance, the Joe-Pete NZ (Battle of the Saints), family events, and charitable initiatives supporting our alma mater.

Today, we proudly stand alongside our mother OBU in Sri Lanka and sister branches worldwide - one global brotherhood, united by the blue, white and gold.

Welcome to Gala Dinner Dance 2026

Dear Peterites, families and friends,
Welcome to the SPC OBU NZ Gala Dinner Dance 2026.

Six years ago, a small group of old boys in New Zealand chose to give this community a proper home. What began in 2020 as reunions among friends has grown into a living union - a place where the classrooms, playing fields and chapel of St. Peter's College, Colombo 04, still feel close, even 7,000 miles from Bambalapitiya.

Tonight is the third Dinner Dance hosted by SPC OBU New Zealand, and the largest we have ever held. That is not only a number. It is proof that the brotherhood has taken root in Aotearoa - from Auckland to Wellington, Christchurch and beyond - and that the next generation is already part of the story.

We gather in blue, white and gold to do what Peterites have always done well: sit together, laugh together, remember where we came from, and leave the night stronger than we arrived. There will be good food, live music, dancing, and the simple joy of seeing familiar faces across a table.

To our patrons, committee, sponsors and every guest who made this evening possible - thank you. You have helped turn a tradition into a landmark night for our Union.

Enjoy the evening. Reconnect. Celebrate. Make new memories.
Once a Peterite, always a Peterite.

Joe-Pete NZ

The Rivalry

Ninety years of cricket, one unbreakable bond

Since 1933, the annual "Battle of the Saints" between St. Joseph's College and St. Peter's College has been one of Sri Lanka's most beloved sporting traditions - two brother schools, one founder's legacy, and a rivalry played in the finest spirit of the game.

Joe-Pete NZ brings that tradition to New Zealand. Each year, Josephians and Peterites across Aotearoa come together for a day of cricket, family festivities and friendship - proof that the Battle of the Saints is less about who wins, and more about what we share.

It is one more way we keep the Peterite brotherhood alive in Aotearoa.
